

BEGRIDDED! LOGIC PUZZLE ggrwfzxn

INSTRUCTIONS

1 Join up numbers that are adjacent vertically or horizontally and are the same.

2 Join up numbers that are adjacent in any direction and are next to each other in the circle of numbers below.

All but two of the numbers have been replaced by question marks.

To complete the puzzle you must work out those numbers using the final rule:

3 Each group of joined numbers is three or fewer numbers wide and tall.
